

Doctoral candidate Benefits package:

Living allowance: 4010* € gross per month

*A country correction coefficient applies in order to ensure equal treatment and purchasing power parity for all researchers.

Example:

For France the coefficient is 118,1 % i.e. the living allowance will be: $4010\text{€} \times 118,1\% = 4735,81\text{€}$ gross per month.

Country coefficient applicable:

France: 118,1%

Germany: 101,20 %

Czech Republic: 94,1%

Switzerland: 163,80%

United Kingdom: 141,70%

Sweden: 125%

In addition, doctoral candidate will receive a mobility allowance:

Mobility Allowance: 710 € gross euros per month

Depending on your marital and family status, an additional « **Family allowance** » can apply (up to 660 € gross per month)
